## The Next B.U.S.S. Stop: Village of Greendale

(Bus User Safety at Southridge Coalition Plans Town Hall Meeting)

The Next B.U.S.S. stop for advocating on behalf of the transit users going to Southridge Mall is planned for Tuesday evening at 6:30 p.m. at St. Alphonsus Church in the Village of Greendale. This meeting will entail a town hall meeting format with information and background on this issue along with an action plan developed by the B.U.S.S. Coalition to keep this issue before the public.

Milwaukee County Supervisor Patricia Jursik stated: "The Simon policy regarding transit users at Southridge is not consistent with the values of Milwaukee County. We do not treat our elderly, disabled and impaired citizens in this manner. The larger community will support these transit users." Jursik is inviting the Village Trustees and President of Greendale to participate in the meeting. The Village of Greendale provided Southridge management financial support in the form of a \$15.8 million dollar TIF (Tax incremental Financing) provided by Greendale with other governmental entities including Milwaukee County participating to improve this commercial facility. Such public improvements should benefit all members of the community, not only the young or affluent. The coalition will have petitions available for signing or circulation and will make announcements for future actions.
